View the Assignment

- Go to Your Teams Class → Click on Assignments on the top of communication channel window.
- Students can view their assigned Homework details along with the due Date to turn in their completed work under Assignments tab.
- Click on the assignment under Assigned.

Work on Assignment

- Read the Instruction of the Homework under Instructions tab.
- Immersive Reader: Near to Turn in, there is an icon for immersive Reader, and it helps students to hear the homework details.
- Once student completes their work, they can add their work by clicking **“ADD WORK”**.
- It is easier to upload work when using Teams app from your mobile device. You can capture the image and upload the same by clicking on Add work.
- Students can click on **Turn in** after attaching the completed work.

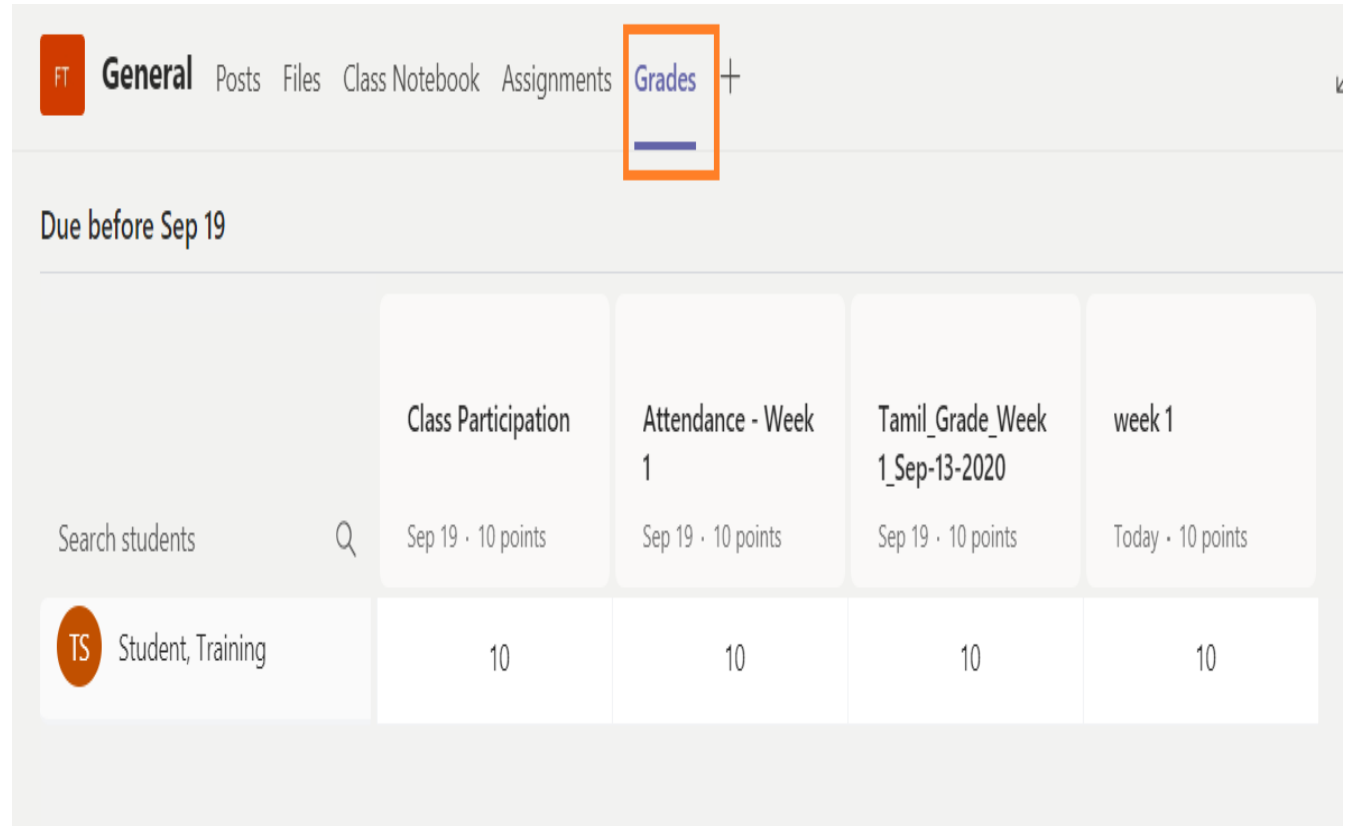

The screenshot shows a Microsoft Teams interface for an assignment. The top navigation bar includes 'General', 'Posts', 'Files', and 'Assignments'. The assignment title is 'Tamil_Grade_Week 1_Sep-13-2020' with a due date of 'September 19, 2020 12:30 PM'. The instructions are in Tamil, including 'வாரம் 2: வ ிட்டுப்பைபாம்:' and 'Oral: > Review: Lesson - 2 (Page No: 2): றேரர் எழுத்துக்கள், ஆய்த எழுத்து & மமய்எழுத்துக்கள், றேரர்மமய் எழுத்துக்கள் > Weekly Reading Log - Week 2: Print out the log (Found at the end of the syllabus). Get initials from parents and bring to next class to get initials from the teacher > Memorize Lesson 1: - அம்மா நல்ல அம்மா பாட்டு'. The 'My work' section has an 'Add work' button. The 'Turn in' button is located at the top right. Orange arrows point to the 'Turn in' button, the 'Add work' button, and the immersive reader icon.

Status Notification

- **Undo turn in** A student decides to improve an assignment after they've turned it in before the due date.
- **Return and Turn in again** A teacher returns student work before the due date and requests an addition or revision, allowing the student to turn in the assignment again.
- **Assignment timeline** Decide when assignments will post to students and whether you will accept turn-ins after the due date has passed.
- **Checkboxes** Return work and assess scores on a rolling basis rather than all at once.
- **Viewed** Track student engagement with assignments to see how many have been viewed.
- **Student view** See how your assignment appears to students.

View Grade and feedback from Teacher

- After you Turned in your work, your teacher will get the notification and they will review the work done and provide you the feedback for the same.
- Go to Assignments → Under **Returned** you can find the returned reviewed work back from your teacher, click on that to see the feedback.
- Another way is to go to Grades to view the Marks earned for the desired week.
